New Consolidated Contract Amendments Available

New amendments are now available for your 2015 Consolidated Contract. We are issuing new funds for the Hospital Preparedness program (Profile 155170), Trauma Care Systems (Profile 153311) and/or Congenital Disorders (Profile 128010). Please note that GAC and the [2015 Consolidated Contract Overview](#) spreadsheet have been updated to reflect the additional funding resulting from this amendment.

To download a copy of your new amendment(s), please open the [2015 Consolidated Contract Overview](#) spreadsheet and click on your latest amendment (any amendment highlighted yellow needs to be signed and submitted). Once you've opened and reviewed the amendment, please print and sign two hardcopies and mail them back to Matt Marcum at the address below by July 20th if possible. Once DPH receives the necessary documents, the contract will be counter-signed and one fully executed copy will be returned to you.
